To the mountain top. Oh yeah! He soared to the sun

and he warmed ev'ry one. The love he's sending down

soared to the sun. He warmed the sun. His

soared to the sun. He warmed the sun. His

soared to the sun. He warmed the sun. His
will never stop. He taught us we shall overcome.

love will never stop. will never stop. Ah.

love will never stop. will never stop. Ah.

love will never stop. will never stop. Ah.

o-ver-come it if we try. He left us with his song.

He left us with his song.

He left us with his song.

He left us with his song.
half sung still ringing from the sky

half sung still ringing from the sky

half sung still ringing from the sky

half sung still ringing from the sky
