

Power In Me

When the race is nearly done
And I feel I can't go on
I know I can do something about it
My heart will start to race
My body find the motion
And I will feel empowered from within,

I've got the power in me
You've got the power in you
I've got the power
P-p-power
got the power in me
Nobody's gonna hold me back
Nobody's gonna silence my words
Nobody's gonna close my mind
I've got the power in me!

When someone's needing help
And the world just walks on by
I know I can do something about it.
I'll stand up for their rights
My voice will find the words
And I will feel empowered from within

I've got the power in me
You've got the power in you
I've got the power
P-p-power
got the power in me
Nobody's gonna hold me back
Nobody's gonna silence my words
Nobody's gonna close my mind
I've got the power in me!

When my mind is closing down
And I'm lacking inspiration
I know I can do something about it
No one can stop me learning
Create my dreams and future
And I will feel empowered from within

I've got the power in me
You've got the power in you
I've got the power
P-p-power
got the power in me
Nobody's gonna hold me back
Nobody's gonna silence my words
Nobody's gonna close my mind
I've got the power in me!

We got the power
You got the power
I got the power
The power in me!

(Part 1)

Got the power!
Got the power!
I got the power in me!
Got the power
Got the power
I got the power in me!

(Part 2)

We got the power
You got the power
I got the power
The power in me!
We got the power
You got the power
I got the power
The power in me!

(All)

I've got the power in me!
In me!

I've got the power in me
You've got the power in you
I've got the power
P-p-power
got the power in me
Nobody's gonna hold me back

Nobody's gonna silence my words
Nobody's gonna close my mind
I've got the power in me!
