ANALYZE: "I NOTICE"

- Look at the music, and list the expressive qualities and technical difficulties to which you need to pay attention as you practice such as elements of music, markings, and difficult rhythmic and melodic phrases.

What should I pay attention to?	Why is this important to pay attention to?
Pitch	So I make sure I get the right singing voice.
Tempo	To see if I sing fast or slow.
Articulation	To see if I add it along on the beat.

CONTEXT: "I THINK"

The context (history, culture or social) of the piece lets me know that I should think about doing this when I perform the piece?

I should sing in a storytime voice because it's a mystery voice.
