ANALYZE: "I NOTICE"

- Look at the music, and list the expressive qualities and technical difficulties to which you need to pay attention as you practice such as elements of music, markings, and difficult rhythmic and melodic phrases.

What should I pay attention to?	Why is this important to pay attention to?
Tempo	Because if you go too fast or too slow your peers wouldn't be able to understand.

CONTEXT: "I THINK"

The context (history, culture or social) of the piece lets me know that I should think about doing this when I perform the piece?

I would perform this in nature.

Sing slow because when you sing fast, you or your peers won't be able to understand you.
