

# MUSIC ASSOCIATION

The National Federation of State High School Associations (NFHS) Music Association is a national network of music directors, adjudicators and state coordinators. Its basic purpose is to improve the level and quality of participation and adjudication at high school contests and festivals. The mission of the NFHS Music Association is to identify and meet the common needs of educators who participate in or sponsor high school education-based interscholastic activities.

## Membership Benefits

- Insurance coverage, including excess general liability up to \$2 million.
- Subscription to *High School Today*, a monthly NFHS publication.

## Online Courses on NFHSLearn.com

Online education courses specifically for music adjudicators are now available through the NFHS Learning Center at [www.NFHSLearn.com](http://www.NFHSLearn.com). The courses are designed to help and guide interscholastic music adjudicators and educators to learn and improve the skills necessary to provide sound feedback to students participating in music – both in the classroom and in the contest setting.

- "Introduction to Music Adjudication"
- "Introduction to Interscholastic Music"
- "Understanding Copyright and Compliance"
- "Music Event Management"

## Membership Information

Membership in the NFHS Music Association is \$20 per year.
