

**National Association  
for Music Education**

Societies and Councils provide expert, committed leadership for all key areas of music education within the association. NAFME would like to acknowledge the following Society or Council members whose term of service has recently ended for the positions listed. NAFME appreciates their contributions in working toward the goals of the association and thanks them for their commitment to the profession.

For more information on NAFME Societies and Councils, please visit [bit.ly/SocietiesCouncils](https://bit.ly/SocietiesCouncils)
