12:24:23 From Karen Salvador to Tooshar Swain (Privately) : One of the members just asked what the two tasks were>?

12:24:30 From Karen Salvador to Sam Tsugawa (Privately) : LOL ;-)

12:25:29 From Karen Salvador to Darcy Nendza (Privately) : Welcome, and sorry I didn't see you there!

12:25:59 From Lori Evenhouse to Karen Salvador (Privately) : No problem - good to see you!

12:26:07 From Karen Salvador to Philip Stattel, Pennsylvania (Privately) : I asked Tooshar... I am not

12:27:49 From Karen Salvador to Philip Stattel, Pennsylvania (Privately) : \*sure

12:35:25 From Karen Salvador to Christopher Woodside (Privately) : I know you had note takers, do you want me to record?

12:36:07 From Christopher Woodside to Karen Salvador (Privately) : That would be great if you don't mind!

12:39:47 From Rob Lyda to Karen Salvador (Privately) : I would be interested to know if the paradors are using Quaver, another program, or if they are expected to plan their own lessons.

12:39:58 From Rob Lyda to Karen Salvador (Privately) : \*para-pros

12:42:03 From Karen Salvador to Rob Lyda (Privately) : Did I capture your question?

12:42:52 From Rob Lyda to Karen Salvador (Privately) : Yes, thank you. I am worried that several school systems will do the same and use a repacked program to press "play".

12:43:08 From Karen Salvador to Rob Lyda (Privately) : Yes, I fear that as well.

12:44:36 From Karen Salvador to Rob Lyda (Privately) : I live in the land of DeVos, and if they can get everyone on "press play" curricula they will. And they won't hesitate to use COVID as a way to accomplish it.

12:45:41 From John Wayman to Karen Salvador (Privately) : In Texas we have small school all-state ensembles to encourage rural schools

12:45:46 From Brian Hartman to Karen Salvador (Privately) : For Sharee: Is the second all state band only for the underserved students or is it identical to the current all state band?

12:46:02 From Karen Salvador to John Wayman (Privately) : I will share

12:46:06 From Karen Salvador to Brian Hartman (Privately) : I will aske

12:48:08 From CO-Cynthia Eversole to Karen Salvador (Privately) : To Kathy and Sharee- Do you think that some of these positions are not sought after by licensed teachers because of the administration trends? Are your MEAs involved in administrator education training?

12:49:16 From Brian Hartman to Karen Salvador (Privately) : Thank you!

12:50:19 From Martha O'Neill to Karen Salvador (Privately) : Nevada has a Small Schools All-State just for the smaller schools/rural areas large ensembles.

12:51:50 From Karen Salvador to Carol Earnhardt NC (Privately) : I see your hand—did you re-raise it?

12:52:45 From Keith Jackson WVMEA to Karen Salvador (Privately) : My understanding is that the difficulty in finding teachers is widespread. Is that anecdotal?

12:53:01 From Carol Earnhardt NC to Karen Salvador (Privately) : yes

12:53:22 From Keith Jackson WVMEA to Karen Salvador (Privately) : Never mind

12:53:31 From sharee.jorgensen to Karen Salvador (Privately) : We have similar issues in Utah rural areas. Hard to get people to teach in some areas, especially on the reservation in Southeast Utah.

12:53:36 From Karen Salvador to Keith Jackson WVMEA (Privately) : Perfect!

12:59:05 From Karen Salvador to Carol Earnhardt NC (Privately) : Thank you very much for sharing this.

12:59:31 From Carol Earnhardt NC to Karen Salvador (Privately) : You are welcome. I am proud that our early leaders saw this as important.

13:00:43 From Jen Kauffman-MD Pres-Elect to Karen Salvador (Privately) : What book are you studying?

13:01:25 From Karen Salvador to Rob Lyda (Privately) : A participant asked what SEL book you are studying?

13:02:09 From Rob Lyda to Karen Salvador (Privately) : We are reading the Scott Edgar book - "Social Emotional Learning in Music Education."

13:05:28 From James Daugherty to Karen Salvador (Privately) : I did have one addendum Karen, just didn't want you to think I forgot to take my hand down. You ROCK as a moderator. Great work!

13:06:02 From Karen Salvador to James Daugherty (Privately) : Thanks, James. You are up next.

13:06:32 From sharee.jorgensen to Karen Salvador (Privately) : Thank you for your facilitation. I need to leave early for another appointment. Enjoyed this session very much. Got some good ideas to explore.

13:07:57 From Kathy Stefani ID to Karen Salvador (Privately) : Karen, did you say the author's name was Scott Edgar? Trying to buy the book as we speak :)

13:08:38 From John Wayman to Karen Salvador (Privately) : One might be able to set up a level system similar to ISME...different areas have different dues...might be based on district demographics

13:09:38 From Karen Salvador to John Wayman (Privately) : That is a smart idea... I will mention this and I think we'll talk more about this in the presidents' meeting after lunch. \$35,000 a year as a salary is really different in different locales.
