Sing from your Heart

Words and Music by Jon Allen

There's a song that's living deep inside me,
There's a voice that's longing to be set free.
I've got to find it now, I gotta give all I've got.
Gonna lose myself inside the music,
gonna feel the rhythm, gonna use it.
This is the chance I have to take, this is my shot.

Shake off your doubt, what's within, let it out.

Sing from your heart with all of your power.
Sing with a fire that knows no fear.
Sing with your voice your, song for the world to hear.

I may be one but I am one of many
and we can make a sound as big as any
and if we rise as one, I know that we're gonna shine.
I may be young but I am getting stronger.
I got a dream that won't wait any longer,
a feeling in my bones that's saying: 'This is my time'.

Shake off your doubt, what's within, let it out.

Sing from your heart with all of your power.
Sing with a fire that knows no fear.
Sing with your voice your, song for the world to hear.

Sing from your heart with all of your power.
