

NAfME CORPORATE MEMBERSHIP: CONNECT WITH MUSIC EDUCATORS

"Through our NAfME corporate membership, Schmidt Vocal Arts has found a partner in encouraging young musicians. Not only have we increased our brand awareness among high school choral directors, but we have also been able to reach students directly in the Tri-M Music Honor Society and the All-National Honor Ensembles. We hope to continue to work together with NAfME to create a strong group of future music educators and singers!"

- Linda McAlister, Executive Director, Schmidt Vocal Arts

"It is great to work with an organization that has the same goals and is truly invested in the success of music educators. NAfME is open to new ideas and ways to connect sponsors to their audience. They have tailored our sponsorship to meet our specific needs, and we have built a great relationship over the years."

-Johna Jackson, Event and Convention Coordinator, QuaverMusic

National Association for Music Education (NAfME), among the world’s largest arts education organizations, is the only association that addresses all aspects of music education. NAfME advocates at the local, state, and national levels; provides resources for teachers, parents, and administrators; hosts professional development events; and offers a variety of opportunities for students and teachers. The NAfME mission is to advance music education by promoting the understanding and making of music by all and empowering the community to create, perform, and respond to music.

*Membership is contingent upon company review by NAfME.
