

CMA FOUNDATION STATE ADVOCACY GRANT QUESTIONS

What are your advocacy goals for the 2022-2023 school (fiscal) year?

What have been some of the biggest obstacles in your state that prevent access to music education for all students?

What music education advocacy work has the leaders and members of your MEA done to try to address these obstacles?

How do you anticipate using the State Music Education Association Advocacy Grant to improve your advocacy efforts in FY2022?

Describe the accountability markers and indicators of success throughout this granting period.

Address any sustainability practices after the grant cycle has been completed.

What (if any) challenges do you anticipate along the way?

Provide an itemized budget with details outlining how funds (if awarded) will be spent.

Provide a timeline for grant execution including important dates and expenditures.

Provide an estimate of funds you currently spend on advocacy-related activities.

Share any additional information that you would like to share to help us better understand your vision for your State MEA Advocacy Grant Application.
